THE TELECOMMUNICATIONS ACT OF 1996)

CAUSE NO. 41657

You are hereby notified that on this date, the Indiana Utility Regulatory Commission has caused the following entry to be made:

On March 19, 2001, the Commission issued an Order in this Cause on various matters. One of the matters set forth in the Order was an agreed-upon procedure for informal dispute resolution. It has come to the presiding officers' attention that there is an inconsistency contained in paragraph 8 of the procedures set forth for the informal dispute resolution. The current version of the paragraph is as follows:

(Days 6 – 8, inclusive) Any party or collaborative participant may post a reply memorandum to the Ameritech271 distribution list during the period beginning six business days after the day on which the summaries and supporting documentation are sent and ending eight business days after the day on which the summaries and supporting documentation are sent. Reply memoranda shall be limited to no more than 10 pages in length.

The paragraph should read that any reply memoranda are due between the 6th and 8th business days after the original notice and not after the submission of the summaries. Therefore, paragraph 8 set forth on page 15 of the March 19, 2001 order should be amended to read as follows:

(Days 6 – 8, inclusive) Any party or collaborative participant may post a reply memorandum to the Ameritech271 distribution list within six to eight business days of the day on which the original notice is posted. Reply memoranda shall be limited to no more than 10 pages in length.

IT IS SO ORDERED, consistent with the foregoing findings.
